* Ultimate Pursuit is available for life to returning ABC and graduates. New candidates have access after \$500 down payment.

Note: Ultimate Pursuit has a large database of questions, answers and feedback covering the 28 study areas as discussed in the “How to Study” document above. Candidates may use this database to prepare for the June 19 band-related entrance exam. All questions for individually-generated Practice Tests are non-essay in order that grading can be done instantly. A few essay questions are often included on exams. UP also has extensive Music Theory coverage to help prepare for the required theory entrance exam.
