SARS-CoV-2	Negative

Comments:

Your test results were **negative** for COVID-19.

We encourage you to contact your healthcare provider if you have any health concerns as a negative test result may rarely occur in patients with a COVID-19 infection.

Please continue to take the necessary precautions including social distancing, hand hygiene, cough/sneeze etiquette, using a face cover and proper surface cleaning to keep yourself and others around you healthy.

Sincerely,

Your Walgreens Pharmacy Team
