# Curriculum and Accreditation

- Council of International Schools
- **Middle States Association**

The Association is organized to promote charitable and educational activities within the meaning of Section 501 (c) (3) of the Internal Revenue Code of 1986, as amended (the "Code").

The Association is a non-governmental, voluntary organization of educational institutions, acting through their respective Commissions (as defined below), committed to excellence in all levels across the continuum of education, whose purposes are to encourage, advance, assist and sustain the quality and integrity of education. In order to achieve these purposes in the public interest, the Association shall establish appropriate criteria and levels of educational excellence and effectiveness, and work with other organizations, agencies, and institutions to achieve cooperation and coordination between and among schools, colleges and universities.
