

NEW Audition Batch Upload

Directors ❖ Save Time ❖ Save Money

❖ Director type in your school info, phone, email address and school address.

❖ Enter in information for student #1 by using the Student Info Form filled out by the student. (Make blank copies for each auditioning student. If you need another copy, you can download one from WIBC Downloads, under the WIBC Honor Bands tab.)

❖ If you have more than one student applying on the same instrument type, rank each student by typing "Rank #1" and "Rank #2" in the special notes field for those students.

❖ If you have more than two students auditioning, click on "Add More Students" to create another student form.

❖ If you have more than 10 students auditioning for WIBC, split them up into batches of 10 students or less.

❖ Once you have all of your students' information and MP3's selected, click "Upload Batch" to send all of the info and audition to WIBC online. You will then see a payment screen with different payment options.

❖ You will receive a confirmation email for each student you submit. A unique file will be created up at the WIBC website for each student with a User Name and Password. You will receive all info, on each student, in the confirmation email.

School Information
